PRE-UIL CONGRATULATIONS

October 2, 2021

Dear Vines Band Family,

Please join me in congratulating the Viking Band on a great show at the **Plano East Marching Invitational** this morning. We are so grateful that the judges and audience recognized the immense efforts of our students. Our students were awarded a **Superior Rating** from our judges, along with High Caption Awards in **Music, Visual, and Drum Majors**.

All our judges gave us helpful feedback on our comment tapes, which we will put to use this week at rehearsal, as we prepare for our final push into our **Cluster Exhibition, Game #3, and Region 25 UIL Marching Contest**.

As always, to respect copyright law, please refrain from posting publicly on social media any performance recordings you may have.

Thank you to all students, staff, administrators, and parents, without whom we could not accomplish this incredible performance. Congratulations, Viking Band. Let's recover and prepare for our final push!

Jonathan Cao
Director of Bands
