CONGRATULATIONS

April 14, 2022

Dear Vines Band Family,

Please help me congratulate all our students today, as we celebrate both the Wind Ensemble and the Wind Symphony for earning a **Sweepstakes** rating at the Region 25 UIL Concert & Sight Reading Concert. Both groups received the highest rating of **Superior** for both portions of the contest. A special recognition goes to the Vines Wind Ensemble and Mr. Martin, who earned the school's first Sweepstakes since 2011.

While we know that ratings are just a snapshot of our students' achievement and cannot possibly capture the entirety of their growth, we are so grateful that they were recognized for their immense effort this season.

None of this could have been possible without the tireless work of our middle school directors and private teachers who taught and maintained the students' learning pace during the past two years, along with the incredible support of our administrators who provide us with the structures to be successful.

Thank you to all stakeholders of this program. We came back from the past two years *STRONGER* than ever, and I am so grateful to each of you.

Director of Bands,
Jonathan Cao
