UPCOMING DATES:

JULY 30: Uniform Fitting & Gear Pick-Up – See below for specific times.

JULY 30: Plano Band Pool Party @ Ford Pool

Dear Vines Band Family,

Today, we performed the first part of our contest show together, and I am so excited about how we will look and sound in October. We were gifted with some incredible weather this morning!

Acclimation & Camp Preparation

Please help us reinforce healthy habits for our students' bodies.

- **Pre-Hydrate:** Please replenish by drinking water **before you go to bed**. Students will be given water breaks every 15 minutes during rehearsal.
- **Meals:** Students will be depleting calories – **PLEASE EAT BREAKFAST**. The leading cause of student discomfort is lack of food in the mornings. Please let the Directors know if you need assistance.
- **Fatigue:** As students become stronger, we will scale up our training. We will constantly adjust and monitor to acclimate our students to the heat and the activity.

Uniform Fitting & Gear Pickup

Please see the chart for your student's fitting time. **Please wear athletic shorts, a t-shirt, and socks for your fitting to ensure the best fitting.**

- **Sophomores:** Please bring your marching shoes and socks to leave in your uniform bag.
- **ALL STUDENTS:** We will be having individual photographs made in uniform, so please plan accordingly with hair. Please no foundation, lipstick, etc.

Fundraiser

In the next few days, we will introduce our first fundraiser for the year. This is our largest and most important fundraiser, as it offsets the cost of participation for our students, pays for instructors, and provides scholarships to many of our families. Like in years past, we will ask for some contacts from you to be uploaded to our online donation campaign. Please take the time to upload your contacts to our platform so that we can begin our fundraiser next week. We cannot do this without our incredible community support, and we cannot emphasize how grateful we are each year for their continued support.
