MID-WEEK CAMP UPDATE

July 28, 2021

UPCOMING DATES:

JULY 31: Uniform Fitting & Gear Pick-Up – See below for specific times.

JULY 31: Plano Band Pool Party @ Jack Carter Pool

Dear Vines Band Family,

Wow! Our students are making incredible progress, and we will soon be able to put our music with our drill and choreography outside! Today, we performed the third part of our contest show together, and I am so excited about how we will look and sound in October. Vines Band is BACK!

Acclimation & Camp Preparation

Please help us reinforce healthy habits for our students' bodies.

- **Pre-Hydrate:** Please replenish by drinking water **before you go to bed**. Students will be given water breaks every 15 minutes during rehearsal.
- **Meals:** Students will be depleting calories – **PLEASE EAT BREAKFAST**. The leading cause of student discomfort is lack of food in the mornings. Please let the Directors know if you need assistance.
- **Fatigue:** As students become stronger, we will scale up our training. We will constantly adjust and monitor to acclimate our students to the heat and the activity.

Uniform Fitting & Gear Pickup

Please see the chart for your student's fitting time. **Since we will all be new to the fitting process, we ask for your grace and patience as we refrain our volunteer team. Please wear athletic shorts, a t-shirt, and socks for your fitting to ensure the best fitting.**

Fundraiser

In the next few days, we will introduce our first fundraiser for the year. This is our largest and most important fundraiser, as it offsets the cost of participation for our students, pays for instructors, and provides scholarships to many of our families. Like in years past, we will ask for some contacts from you to be uploaded to our online donation campaign. Please take the time to upload your contacts to our platform so that we can begin our fundraiser next week. We cannot do this without our incredible community support, and we cannot emphasize how grateful we are each year for their continued support.
