Dear Vines Band Family,

While we are certainly looking forward to resting during Thanksgiving Break, we have a few important events before then. See you soon!

9th Grade All-Region

For students auditioning, all times and maps are posted on their Google Classrooms under the Classwork tab.

Clark HS is hosting this event and in need of 9 parents from our campus to serve as room monitors. If you are interested, please respond to this email.

Holiday Concert

Next Thursday, we will host our 8th Grade Future Viking Band Members for our annual Family Concert. Students will rehearse from 5-7pm, culminating in a performance at 7:00pm in the VHS Cafeteria. At the conclusion of the concert, students will be fed pizza and given time to socialize.

Winter Concert

We would love to see everyone on December 6th for our Winter Concert! All our bands will perform that evening as a celebration of their work this grading period. Please invite all your friends and family. Students will have a few morning rehearsals to prepare for this. Please see above.
