Plano Percussion Chamber Music Festival

Information and schedules for percussionists will be released soon via Google Classroom and email to students participating in the PPCMF. Be on the lookout in the next few days for final details!

Full Band Rehearsals

In the coming weeks, students will receive surveys to indicate schedule conflicts. These surveys will be used to make our March and April rehearsal schedule. When we return from Spring Break, we will begin meeting one morning each week to assemble our Spring performance. Our rehearsals will take place outdoors, socially-distanced, and following all safety protocol prescribed by district and city guidelines. Each rehearsal will be from 7:15-8:15am to focus on allowing our full ensembles to hear each other before the actual performance.
