Dear Vines Band Family,

We are down to the final 5 rehearsals before our UIL Concert & Sight Reading Contest! As we prepare to leave for our trip and next season, you will see communication for our placements.

Eligibility: In accordance with state law, the end of the 3rd Nine Weeks will serve as a grade check for our UIL Concert & Sight Reading Contest and Spring Trip. If a student is failing a non-Honors/AP course at the end of the 3rd Nine Weeks, they will be able to regain eligibility by passing all their courses by today, April 1st, at the end of the school day.

Trip Information: Please be sure to watch the informational video on April 5th. It will detail logistics and details for our upcoming trip to Austin and San Antonio. It will include important information regarding responsibilities and expectations while we are away. Please put the mandatory rehearsals on your calendar, as those will be full production runs for our students before we perform at the Capitol Building. In order for our load-in/out process to run smoothly on Capitol Grounds, we will need students to be present for a walk-through.

UIL: Please see the attached itineraries for our UIL Concert & Sight Reading Contest in two weeks. All students will be responsible for all academic work that is missed during our contest travel. *If you are able, we'd love to see you at contest at Wylie East High School!* Come see our students' hard work!

Leadership Applications: Check out Google Classroom for next season's Leadership Application!

Fall Placements: Every student will receive an invitation to join our Google Classroom for next season!
